6:30 to 8:30 pm

The Technical Support Unit of the NAMA Facility cordially invites you to join us, along with our Donors, NAMA Support Projects and numerous other international organizations for a reception on the evening of Thursday, 20 June 2019.

The reception will serve as a kick-off for the following day's workshop entitled [Learning About Transformational Change in International Climate Finance](#). Held on the rooftop garden terrace of the Bundeskunsthalle in Bonn, the reception will provide the opportunity to meet and mingle with the other participants from the following day's workshop.

Drinks and finger food will be on offer (including both vegetarian and vegan options).

We look forward to seeing you there!
