The NAMA Facility – Support for the Implementation of NAMAs
Purpose and Facts of the NAMA Facility

Purpose:
• Demonstrating a framework for providing tailor-made climate finance for developing countries in the field of mitigation
• Building on existing support by funding the implementation of transformational NAMAs seeking international support
• Raising ambition to close the global emissions gap and address the lack of NAMA climate finance

Facts:
• Officially announced by Germany and the UK at COP-18 in Doha
• Germany and the UK jointly provided € 120m of funding so far
• Denmark and the EU Commission will be joining in 2015
Governance of the NAMA Facility

Governance Structure

NAMA Facility Board
(representatives of donors, open to new donors)
- Central decision-making body of the NAMA Facility representing the donors
- Sets NAMA Facility policies and guidelines
- Approves funding for the implementation of NAMA Support Projects

Technical Support Unit
Acts as the secretariat that supports the NAMA Facility Board, is in charge of quality management and interacts with delivery organisation(s)

NAMA Support Projects
To be implemented by implementing partners and qualified delivery organisation(s) (TC/FC)

Implementation of:
- Procedures and processes
- Financial management
- Reporting to the donors
- M&E framework and plans

Qualified Delivery Organisation
Assessed against transparent criteria (e.g. proven track record and experience, appropriate legal status)
Project Cycle of the NAMA Facility

Step 1 – Project Outline

Call for NAMA Support Project Outlines by NAMA Facility

Submission of NAMA Support Project Outlines

- Verification of general eligibility criteria and evaluation against ambition and feasibility criteria by TSU
- Pre-selection of the most ambitious outlines by the NAMA Facility Board
- Appraisal mandate for pre-approved NAMA Support Projects

Step 2 – Project Proposal

In-depth appraisal and submission of NAMA Support Project proposals

- Evaluation against ambition and feasibility criteria by TSU
- Final NAMA Support Project approval by the NAMA Facility Board
- Implementation mandate for approved NAMA Support Projects

Step 3 – Project Implementation

NAMA Support Project implementation

- National government (with DO endorsement) or DO (with national government endorsement)
- In addition an external assessment of the TSU’s project evaluation is conducted
- FC: DO and national implementing partner(s) (e.g. national development bank)
- TC: DO and national implementing partner(s) (e.g. sector ministry)
- TSU Technical Support Unit of the NAMA Facility
- DO delivery organisation
- FC financial cooperation
- TC technical cooperation
Selection Criteria of the NAMA Facility

The selection of NAMA Support Projects is based on three sets of criteria:

- General eligibility
- Ambition
- Feasibility

Focus:

Ambition Criteria of the NAMA Facility

- Potential for transformational change
- Mitigation ambition
- Financial ambition
- Sustainable development co-benefits
